The *Home of Culture* in Ravno Selo

*Today, as I become a Pioneer,
I give my Pioneer's word of honour -
That I shall study and work diligently,
respect parents and my seniors,
and be a loyal and honest friend.
That I shall love our homeland,
self-managed socialist federal republic of Yugoslavia.
That I shall spread brotherhood and unity
and the principles for which comrade Tito fought.
And that I shall value all peoples of the world
who respect freedom and peace!*
