Valerian Gunia Union of Young Theatre Artists - OISTAT National Center of Georgia

Tbilisi, February 21, 2026

Dear Ladies and Gentlemen,

On behalf of the Valerian Gunia Union of Young Theatre Artists – the OISTAT National Center of Georgia, we are delighted to extend our invitation to you to participate in the 6th Tbilisi Biennale of Stage Design, which will be held from **6/7 October to 17 October, 2026** in Tbilisi, Georgia.

The Tbilisi Biennale of Stage Design was founded in 2016 with participation of four Caucasian countries aiming to create a regional hub for the exploration and presentation of contemporary scenography trends and techniques. Since its inception the Biennale has served as a platform for young stage designers to flourish professionally, fostering creativity and the exchange of innovative ideas.

In 2026, the Tbilisi Biennale of Stage Design marks the 10th anniversary of its founding. Over the years, the Biennale has welcomed curatorial concepts on a wide range of topics. This year, it remains open to projects exploring free themes, while also encouraging works and exhibitions that reflect the relationship and interdependence between theatre and fashion.

The objective of the Biennale is to showcase the artistic and professional potential of emerging stage designers, emphasizing the artistic value and technique of their creations. We anticipate that the 2026 Tbilisi Biennale of Stage Design will be even more diverse, with fresh creative approaches and invaluable curatorial insights, fostering multinational collaboration and dialogue.

We warmly invite you to join us at the Tbilisi Biennale of Stage Design in 2026. Your participation will play a pivotal role in shaping the future of scenography and curatorship in our region.
